

about 14 pennies to collect a dollar. Even given the hundred thousand dollar figure that Senator Schmit threw out it would cost us 14¢ to collect a dollar which is pretty ridiculous when you are talking about government collecting taxes. This is a bad bill. There are a lot of unanswered questions, and we should strike the enacting clause today.

PRESIDENT: The question is, shall the bill be returned to Select File for this specific amendment? Record your vote. We are still under Call. We are under Call. We are under Call. Have you all voted? Record. Yes.

SENATOR CULLAN: I would request a roll call vote after all of the Senators who are supposed to be here have indicated that they are here.

PRESIDENT: Record your presence please. Would you all record your presence promptly. Senator Savage and Senator Labedz, record your presence. Senator Marvel. Senator Venditte is not here, Senator Cullan. Will the Sergeant at Arms please find Senator Venditte. We are under Call. Call the roll.

CLERK: Roll call vote. 19 ayes, 17 nays, 6 present and not voting, 7 excused and not voting. Vote appears on pages 1452-1453 of the Legislative Journal.

PRESIDENT: Motion fails. Senator Cullan moves that the Call be raised. Record your votes. Record.

CLERK: 19 ayes, no nays to raise the Call, Mr. President.

PRESIDENT: Call is raised. We go to General File. Special Order, LB 184A.

CLERK: Mr. President, I have a motion on the desk. Senator Chambers moves to change the Speaker's order to take up LB 955 as of right now.

SENATOR CHAMBERS: Yes. Mr. Chairman, members of the Legislature, 955 is a bill to name the ETV Building after Senator Carpenter. I have talked to you and I have over 25 who agree that we would give this first vote. Mr. Davey was here from Scottsbluff and Senator Carpenter is very, very ill. He is at home now and is not allowed to see anybody. If he loses consciousness he may not come back again, so perhaps this one vote could be gotten through while the man is still able to understand what has occurred. I'm not going to take the time because the number of people who said that they would vote to do this is adequate to accomplish the motion. So, that is what the motion is and that is what the bill is about.

PRESIDENT: The question is shall the Speaker's order be changed to allow this matter to come up. Record your vote. Record.

CLERK: 32 ayes, no nays to overrule the Speaker's order, Mr. President. Read LB 955.

PRESIDENT: Senator Nichol.
